Chief Engrs has recommended that Mr. H. Abdul Gaffar Sheriff may be granted the maximum pay of Rs 125 in the Overseer's grade and the Dist. Engrs the maximum pay of Rs 80 in the Overseer's grade.

2. The cases of Messrs. H. Abdul Gaffar Sheriff and S.B. Rangappa have come up to Government from time to time with good reports from the Foreign employers and on their recommendation they were promoted as Hony Asst Engrs so long as they continued in foreign service. In view of their service having been reckoned as War Service and rewarded by elevation to higher ranks, it is for consideration whether their cases may be taken as unique and granted special treatment. The Chief Engrs considers that this course would be encouraging to other subordinates to readily place their services for the cause of the country in time of need. In regard to the third man Mr K.S. Sivasankaran, no such honorary rank was conferred on him and the case has also not come up to the notice of Government.
